

Learn how to navigate *collaborATIon*, ATI's new app. View active and upcoming solicitations, connect with other program members, and much more!

Section 01 Getting Started

01 Getting Started | Download the App

Download the App

collaborATIon can be found on both the App Store and the Google Play Store. To download, search for the app in the app store, click the images below, or use the following links with your mobile device: <u>APPLE</u> <u>ANDROID</u>

01 Getting Started | Sign In

Sign In

collaborATIon allows you to sign in with Apple, Google, or LinkedIn. You can also create an account and log in with your email by following these steps: To create an account with an email address:

- (1) Choose 'Sign in with Email'
- (2) Choose 'Create Account'
- (3) Fill in user information and click 'Create Account.'

01 Getting Started | Navigating the App

Navigating the App | Home

The Home tab displays Solicitations, Events, and News data for all consortia.

(1) Use the tabs along the top to view all categories, or filter by solicitations, events, and news.

(2) Use the search bar to search for specific content, or search technology areas to find the right consortia for you.
